

# ADVANCED COURSE ON MOTOR INSURANCE

**FEBRUARY 22- MARCH 1, 2021**

**1:00-4:00PM; MONDAY TO FRIDAY  
ON-LINE VIA ZOOM**

## **COURSE OBJECTIVE:**

The Course shall provide skills needed by a Motor Car Underwriter. It is the second requirement towards obtaining a Motor Car Underwriter's license from the Insurance Commission. It features cases on motor underwriting, claims, marketing and pricing. It will also allow the professional to keep abreast of the growing challenges in the motor insurance market in the country.

## **WHO SHOULD ATTEND**

This course is addressed to all who would like to know more about Motor Car Insurance. It is principally designed for motor car department technical staff, professionals and executives but is a useful course even for those working in other lines. The insurance managers of companies (as buyers of motor car insurance) will also benefit from the course.

**PRE REQUISITE: IIAP Basic Non-Life Insurance Course**
